

WACI offers 16 standard colors for both the 1" (25mm) and 5/8" (15mm) between-glass metal venetian blinds to complement nearly any window system finish and interior design. In addition, custom colors are available at additional cost. If color match is critical, submit a color chip with your request for quotation and WACI will match your custom color.

# Metal Blind Color Selector

**IF COLOR MATCH IS CRITICAL, PLEASE REQUEST A COLOR SELECTOR OF ACTUAL SLAT SAMPLES.**
